NOTICE OF SMOKE FREE HOUSING POLICY

To: Applicants
From: Susan Cadoff, VP HUD Housing

This is to inform you that The King's Apartments has adopted a "smoke free housing" policy in accordance with notice H2010-21 issued by the U.S. Department of Housing and Urban Development (HUD) on September 15, 2010.

This policy applies to all new tenants moving in after January 1, 2012. Smoking is prohibited in individual apartment units, and in indoor and outdoor common areas. Smoking is only permitted in specifically designated outdoor smoking areas. "Smoking" means inhaling, exhaling, burning, or carrying of lit tobacco products including but not limited to cigarettes, cigars, and pipes. Smoking materials must be properly disposed of in designated receptacles. This smoke-free policy applies to tenants, live-in aides, guests, staff, contractors, and other visitors.

This policy has been adopted to protect the health of our tenants, staff, and guests. It has been well established that exposure to smoke is a serious health risk. Secondhand smoke is a Class A carcinogen, which means it is a cancer causing agent, and there is no safe exposure level. Secondhand smoke can travel through doorways, windows, wall joints, plumbing spaces, and even light fixtures, so secondhand smoke from one unit can adversely affect the health of residents in other units. Additionally, this policy will decrease the danger of fires and reduce maintenance and cleaning costs.

This policy will have no impact on your eligibility for housing assistance from HUD. However, we reserve the right to enforce this rule throughout a household's tenancy. Violation of the smoke-free policy will be considered material noncompliance with lease requirements, and may result in eviction.
